Mrs. M. P. Littrell

To one whose patience and understanding have helped all the members of the '55-'56 student body; to one who for four years has guided the aspiring young actors and actresses of Lexington High School and directed and supported the activities of the Dramatics Club; to one whom we will always remember, we dedicate this our Crystal to Mary P. **GEORGE ROBERT AX**

**"George"**

Basketball 1,2,4; Science Club 1; Library Club 1; French Club 3; Monogram Club 4; Crystal 4; President of Class 3 and 4; Executive Committee 3 and 4.

Every time we see a group of boys or girls, there is George in the center usually telling the latest joke or happening. George has been very active in school as President of his class for the last two years. We all know George will be missed around L.H.S. halls (especially by one certain brunette) next year, so here's wishing the best of luck to a swell guy.

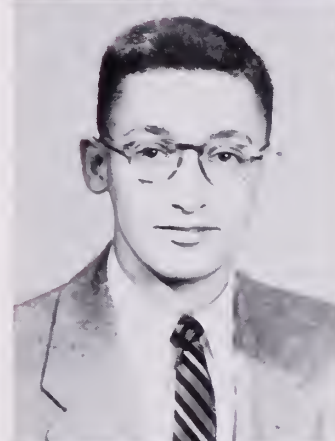

**JAMES J. KOKOLIS**

**"Jim"**

Basketball 2,3,4; Baseball 2,3,4; Football 3,4; Vice-President of Class 4; Honor Court 4.

"Now, uh, in New York..." Do those words sound familiar? Well, they should, for our Yankee, "Koke" is telling another story on the "guys" in New York. However, besides having a good sense of humor, "Kake" also has played football, basketball and baseball in the two years he's been with us. We know Jim will go far in anything he chooses, whether it's in New York or here. We wish you the best of luck always.

**MARTHA ANN SPENCER**

**"Percy" "Marf"**

Dramatics Club 1; Latin Club 1; Science Club 1,2,3; Monogram Club 3,4; Hockey 1; Basketball 1 and 2; Cheerleader 1,3,4; French Club 3; Scarlet Staff 4; Secretary of Class 2,3,4; Honor Court 2,3, Chairman 4.

Alyce—Nancy—Tommy—I mean Martha! How many times have we heard this around the halls of L.H.S.? As you probably already know "Percy" is the last of the twelve Spencers. She has had a hand in everything from sorting Miss Hamilton's English papers to school to cheering the home team on to victory. Good luck at Wheaton next year!

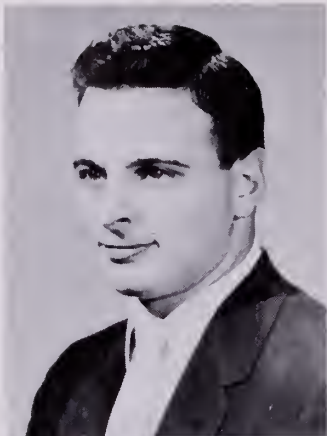

**CAROL ADAMS**

**"Carol"**

Dramatics Club 1,2,3,4; Latin Club 1 and 2; Pep Squad 3 and 4; Scarlet Staff 4; Basketball 1; Hockey 2.

Whiz! Zoom! bang! Oh don't worry that was only Carol speeding by. Though she is a busy girl, Carol finds time to be right in there yelling for the team, especially the co-captain. As the domestic type, Carol plans to major in Home Economics and we're quite certain she will succeed.

THEODORE T. AGNOR

"Ted"

Library 1 and 2.

See that boy coming down the hall with the big smile? Yep, he is our "Ted". He is known to be a great guy. They also say he's quite successful when it comes to getting along with the women. He surely will be missed at L.H.S. in the coming years, but we won't worry about him, for he's sure to succeed whenever he attempts to do a task. Best of luck in the future Ted.

DORIS DREAMA BANE

"Doris" "Dreama"

Latin Club 1; Library Club 2,4, Vice-President 3.

99 44/100% pure L.H.S. citizen—well, that is none other than Doris Bane. Doris first came to L.H.S. in her Sophomore year from Effinger. Since then she has made herself a part of the school. If you ever hear a sly little giggle coming from down the hall you know that Doris is some place near because she is in on all the laughter around school.

WILLIAM H. BAYNE

"Bill" "Milkshake"

Football 1,2,3, Co-Captain 4; Basketball 1,2,3,4; Baseball 1,2,3,4; Boys Monogram Club 1,2,3,4.

Have you been feeling down in the dumps lately? No energy what-so-ever? The best prescription for you is to stay around Bill a little while. Laughable, lovable Bill has added his voluminous, jubilant self to many activities at L.H.S. Keep laughing Bill and don't forget us when you leave.

ROBERT ALLEN BROWN

"Bobby"

Baseball 1 and 2; Dramatics Club 1,2,3; Science Club 1,2,3; Pep Squad 3 and 4; Glee Club 3 and 4; French Club 3; Crystal 4; Scarlet 4.

Here is the artist laureate of Lexington High School. His enigmatic and painstaking posters are the delight of all the bulletin boards. Sometimes he spends more time on these posters than he does on his lessons. Bobby is a fine companion, an inveterate girl-chaser, and a "basso profundo" in the choir. And, best of all, he has a place in the class of '56.

**WILLIAM ROBERT CAMPER**

**"Bobby"**

Sport's Editor "Scarletter"; Library Club 1; Dramatics Club 2,3; Glee Club 3,4; Pep Squad 3,4; French Club 3; Baseball 2.

Who in the senior class can take a joke best? Why, Camper, of course. This sturdy hold on his temper and his pleasing personality have made "Curly" the friend of everyone, especially the opposite sex. Although racing to lunch has been his only major sport, his attendance at athletic events has never faltered. In fact, most of us have ridden to ball games in his black Ford. We can only wish the best of everything to a swell classmate.

**FREIDA RAENETTE CUNNINGHAM**

Latin Club 1; Junior Classical League 1; F.H.A. 2,3,4.

Who's that redhead that's always laughing as she goes down the hall? Freida, of course. This friendly girl with sparkling brown eyes is known to everyone in the hall of L.H.S. Liked by teachers and classmates alike, her friendly "hello" cheers up everyone she sees. A true friend and wonderful girl, she will be missed very much next year.

**PAUL BURTON DALE**

Library Club 1,2,3; Monogram Club 2,3,4; Craft Club 4; Manager, Baseball 1,2,3.

Paul Dale, that high-spirited boy around L.H.S., is one of the best-known members of the senior class. After school, if you see a bunch of girls rushing toward a two-tone brawn Ford, you will know that Paul is taking them either home or downtown. L.H.S. is really going to miss this omicable boy. Best of luck to you in the future, Paul.

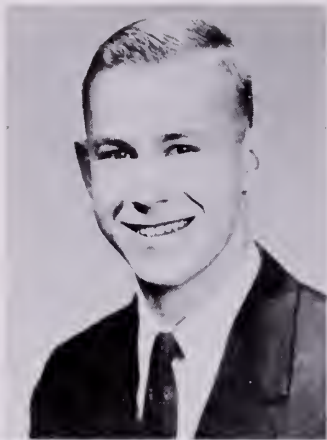

**TAYLOR EUGENE DAVIS**

Latin Club 1; Library Club 1,2,3,4; Junior Classical League 1; Monogram Club 2,3,4; "Scarletter" Staff 4; Baseball 3,4; Football 1; Basketball 1,2.

Who is that short, dark-haired, cute boy over there? It is none other than the talkative Ted Davis. You can see him at any of the games, dances, etc., and usually there is a laughing crowd about him. These characteristics have won him many friends, and L.H.S. will miss him. Best of luck to you in the future, Ted.

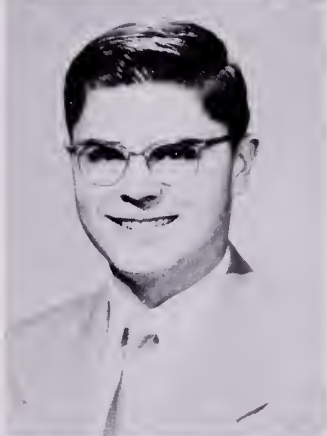

#### WILLIAM F. EDWARDS

Library Club 1,2,3,4; Vice-pres. 4; Managram Club 1,2,3,4; Football 1,2,3,4; Baseball 1,3; Basketball 1.

Who was that who said "I'll do it"? Well, it was none other than Billy Edwards. Bill is willing to lend a helpful hand in anything that comes along. He has been on the football team four years, and can be counted on to support school functions. Good luck, Billy, keep up your ambition and you will succeed.

#### DAVID STEPHEN EISLER

Latin Club 1; Library Club 1,4; Dramatics Club 2,3; Vice-pres. 2,3; Science Club 1,2,3,4; President 2; "Scarletter" Staff 2,3,4; Pep Squad 3,4; French Club 3; Glee Club 3; Basketball 1,2,3,4.

Here we have a future Professor of Reasoning and Logic. He is always willing to argue with anybody about anything, and always seems to know something about everything. He is a perfect example of the executive type, which is good, for how else would the class of '56 get along smoothly?

#### JEANETTE HARRISON FOLTZ

Student leader, Phys. Ed. 4; Dramatics Club 1,2,3,4; Vice-Pres. 4; Latin Club 1; Science Club 1,2,3; Managram Club 1,3,4; French Club 2,3; Prag. Chm. 2,3; Glee Club 3; "Scarletter" Staff 2; Chemistry Club 4; Hackey 1,2,3; Cheerleader 1,4; Basketball 1,4.

Want someone who works tirelessly? Someone to tell your troubles to? Look no further, Jeanette's your gal. Her good looks and her electric personality combine to make her a good catch, as the boys know. When Jeanette leaves, she will be missed for years to come.

#### DAVID EARLE FOSTER

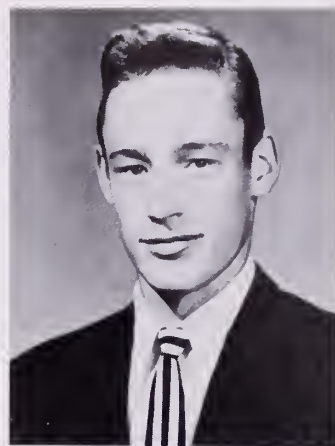

Honor Court 4; Science Club 1,2,3,4; President 3,4; Latin Club 1; Library Club 1; Dramatics Club 2,3; Glee Club 3,4; Pep Squad 3,4; "Scarletter" Staff 4; "Crystal" Staff 4; Basketball 1,2.

Looking for a senior who can stump any teacher with his vocabulary? David's your man. He isn't a backworm, though, finding time to play a mean trumpet, to hunt, and take part in various activities. Although he hasn't decided yet where he is going to college, we're sure he'll succeed wherever he goes, and we can hope he won't forget the great times he had with the class of '56.

### PHILLIP HAMRIC

Class President 1,2; Vice-President, Managram Club 2,3; President, Crafts Club 3; Secretary, Crafts Club 4; President, Chemistry Club 4; Co-Captain, Football 4; Executive Committee 1,2; Managram Club 1,2,3,4; Crafts Club 3,4; Chemistry Club 3,4; Football 1,2,3,4; Baseball 1,2,3,4; Basketball 1,2,3,4.

"Hey! Who threw that T. D. pass?" "Say! Did you see that lay-up shot?" "Who knacked across the winning run?" Well no other than "Pencil". Phil has earned four letters in each sport. Phil's smiling face and willingness to help out in any situation have been well liked by all his fellow students and teachers. Good luck with your engineering! Keep up your ambition and you will succeed.

### ELEANOR ANN HARTLESS

"Eleanor" "Blondie"

President, Library Club 2; Reporter, French Club 3; Secretary-Treasurer, Chemistry Club 4; Secretary-Treasurer, Student Body 4; Vice-President, Pep Squad 4; Library Club 1,2,3; French Club 3; "Scarletter" Staff 3; Chemistry Club 3,4; Honor Court 3; Pep Squad 3,4; Executive Committee 4; Girls' State 1955.

Blonde hair, blue eyes, a winning smile and... WOW! Good looks aren't all of "Blondies" attributes. Just watch her working and you'll see what I mean. So goodbye to one of the brainiest, jalliest, and charming girls ever to leave L.H.S., but, the medical world will really be gaining a wonderful gal in our Eleanor.

### DELORIS ANN HICKMAN

"Dee" "Del" "Deloris"

President, Dramatics Club 4; Society Editor, "Scarletter" 4; Assistant Editor, Crystal 4; Dramatics Club 1,2,3,4; Latin Club 1; Glee Club 1; Science Club 2; "Scarletter" Staff 3,4; Crystal Staff 4; Basketball 1.

Anyone want a vivacious blonde who has been in the middle of just about every project here at L.H.S. and who still has time for other schools in our vicinity? Dee says the most fun was playing Valerie, the Southern "chahmer" in "Professor, How Could You!" her junior year. We hope you won't study too hard at Mary Washington. All work and no play, you know.

### DIXIE ANN HINKLE

"Dickie"

Shenandoah High School Photographers Club 1; Future Homemakers of America 3,4.

Wanted: A girl with a sparkling personality and a willingness to help someone else. You're right—that is our Dixie. She has won a place in the hearts of all who know her. Lexington High bids you a sad farewell, but we know that you'll be a good secretary to someone.

**NORBERT W. IRVINE**

**"Norbert"**

President, Student Body 4; Sergeant-at-Arms, Honor Court 1; President, Boy's Monogram Club 3; Vice-President, Student Body; Chairman of Dance Committee 3; Science Club 1,2; Library Club 1; Boy's Monogram Club 1,2,3,4; Honor Court 1; Dramatics Club 2; French Club 3; Executive Committee (Member of Student Co-operative Association) 3,4; Football 1,2,3,4; Baseball 1,2,3,4.

"Are there any announcements?" Of course, everyone recognizes the voice of Norbert Irvine, our student body President. "Norbert" has achieved two of the highest honors which a high school boy can acquire—Vice-President and President of the student body. Besides his numerous academic achievements, he has found time to contribute greatly to our football and baseball teams. Norbert, with your sincerity, ability and fortitude we are sure of your future success.

**JACQUELIN WRAY JEFFRESS**

**"Jackie"**

Vice-President of Class 3; Secretary, Science Club 3; Vice-President, French Club 3; "Scorletter" Editor 4; "Scorletter" 3,4; Glee Club 3,4; Dramatics Club 3; Monogram Club 4; Science Club 4; Crystal Staff 4; Cheerleader 4.

Jackie is a well-known personality at L.H.S. and has accumulated hosts of friends. Unlike most of the students, she has been here only two years. In this time she has added much to the school activities. Wishing you loads of happiness in the future, we say, "Goodbye," but "Til we meet again," Jackie.

**CHARLES RAY MITCHELL**

Monogram Club 3,4; Football 3,4.

Sure, chief, that's "Hoss" who just mowed down the whole BV football team—who else did you think? Although he didn't join the crew here until his junior year, his ear-to-ear grin has become a familiar sight to all of us. More than that, he's destined to go down in history as one of the Noble "Shervle" who out-foxed Miss Hamilton by passing senior English vocabulary tests.

**JOHN KENDALL McCLUNG, Jr.**

Vice-President, Science Club 3; Library Club 1,4; Science Club 1,2,3; Latin Club 1,2; Dramatics Club 2,3; "Scorletter" Staff 3; Crystal Staff 4; Basketball 1.

Is he walking or running? Wherever he is going, we can be sure that John will plunge into anything with his willingness to argue a political point with anybody anytime. He will stump the teacher and anybody else with a question with an unorthodox display of current information. We are happy to think of John as a member of the class of '56.

# EDITH MARIE NEASE

"Edie" "Edith"

Library 1, Secretary; F.H.A. 2,3,4, Reporter 2, Vice-President 3, President 4; Hackey 1.

Have you seen a blinding flash lighting up the halls? Well, that is "Edie" on the way to Home Economics; the flash is that diamond on her hand. This Home Ec. should come in handy as Edith plans to get married next year. I am sure her sweet personality will leave a vacancy not easily filled.

# RUTH MARGARET OWEN

Junior Classical League 1; Latin 1,2; Library 1,2,3; Basketball 1.

If you see a crowd of girls sitting around, you can bet your last dollar that "Ruthie" is in the midst of them. L.H.S. will certainly miss the sweet "lil" girl who has won many a heart at the school. We all wish her the best of everything in the future.

# PAUL McNEIL PENICK

"Pick" "Pack"

Library 1; Science 1,2; Latin 1,2; Dramatics 2,3; "Scarletter" 3,4; Monogram 3,4; Football 1,2,3,4; Basketball 1,2,3,4.

Who just made those two punts? It was "Pick" of course! During "Pick's" high school years he has been outstanding in both football and basketball. "Pick" is well known to all of us with his good personality and his telling of jokes. He is liked not only by the pupils but also by the teachers. We know "Pick" will succeed in whatever he undertakes to do and we all know L.H.S. will miss him.

# PATRICIA LOUISE PULLEN

"Patty" "Pulley"

Dramatics 1,2,3,4; Latin 1,2; "Scarletter" 1,2,3,4; Science 3; Monogram 1,3,4; Cheerleader 1,3,4, Head Cheerleader 4; Hackey 1; Basketball 1.

Patty is one little girl who will always be remembered in the halls of L.H.S. If there is a job to be done, Patty is always willing—if she arrives on time. Lexington High is proud to have graduated such a fine and wonderful person. Whatever the future may hold, we wish Patty the very best of luck.

#### JUDITH ANN ROBERTS

"Smithe" "Judy"

Library 1,2, Secretary 2; Latin 3, President; Dramatics 3,4, Program Chairmon 4.

If you should enter the "State" any afternaa you are likely to see several members of the Senior Class. Here you will find Judy joining in the fun by rendering her famous comments. However, she is also dependable, co-operative and ambitiaus. Judy, we wish you the best of luck with your teaching career.

#### DORIS DENNIE SENSABAUGH

"Dennie" "Den"

Dramatics 1,2,3,4; Glee 1; Science 1,2,3,4, Reporter 3, Activities Chairman 4; Latin 1,2; "Scarletter" 3,4, Humar Editar 4; Editar of Crystal 4; Basketball 1.

Crash! What was that? Don't worry; it's only Ben in the lab. You see she's going to be HS's first lody (?) engineer. She, however, also has a feminine side ond con often be seen at VMI hops, etc. Dennie plans to attend Mory Washington and UVA. Much luck to you!

#### JEANNE GORDON TRACY

"Jan"

Dromatic 1,2,3,4, Secretary-Treasurer 2, President 3; Latin 1,2,3, Vice-President 1; Glee 1,2,3,4; "Scarletter" 2,3,4, Feature Editor 3,4.

See thase bleary eyes, the dork circles, the wish-I-gat-same-sleep-lost-night laak? Known as the poet laureote of the senior class, Jeanne takes part in most of the W&L Troub plays, besides being a mainstay of the "Scarletter" Stoff and the Dramotics Club. We know this versatile senior will go far with her many tolents, ond her ability to get along without any sleep.

#### RUBY ESTELLE WRAY

Secretary-Treasurer Freshman Class; Glee 1,2,3,4, President 3; Dramotics 3,4; "Scarletter" 4; Monogram 4; Cheerleader 4;

There's really no need to go into a long ond tedious introduction, for one little word—tolented—will sum up Ruby. Noted far being an excellent pionist, she is constantly being asked to render her services. Maybe one day when she hos her first concert in Cornegie Hall, we'll be oble to soy, "I knew her when..." Even if she doesn't attain this high gool, we'll still be proud of her. To one whom we wish the best in the world, we bid farewell.

# Long Ago When

The bell rang, and with fear and trembling we, the class of '56, entered the sacred halls of L.H.S. At that time it practically unknown far an eighth grader to associate with an upperclassman, but na matter—we were at last at high school. Even we, lawly peans that we were, were considered a class and elected as our president, Phil Hamric. The affices of vice-president and secretary-treasurer were filled by Norbert Irvine and Ruby Wray respectively. We were even allawed ta have an Honar Court representative, David Eisler.

The next year we really got into the swing af things. We joined clubs and Jeannette Foltz represented our class on the Cheerleading Squad. We met our first obstacles this year in the form of Latin and Algebra I. Our class officers were the same this year with the exception of vice-president. Martha Spencer filled this position.

The next year was even better. We had gained a little more impartance and could naw sit on the steps with the Seniors. Our high schaal was half aver. This year's officers were Phil Hamric, president; Lais Burwell, vice-president; and Martha Spencer, secretary-treasurer.

We entered our Junior Year with much enthusiasm tawards making money for the Junior-Senior banquet. This was also the year of "Professor How Could Yau". Nine members of our class participated in this play. Anather highlight was the Hamecaming Dance. After making hundreds af leaves for decarations we solemnly vowed to cut dawn all the trees in Lexington. We finally had enough money for the Junior-Senior banquet. This grand affair was held at the Natural Bridge Hotel and the dance was held afterwards in the ballroom. At the end of the year we praudly elected Norbert Irvine as the president af the student bady, and Eleanor Hartless was chasen secretary-treasurer. We were all now looking forward ta our Senior year.

So, here we are, Seniors at last. George Ax has led us through the year with the able assistance of James Kakalis and Martha Spencer. We've changed a lot since we came to L.H.S. All the girls have cut off their long curls and braids and settled for a short sophisticated bob, and the boys worry about that casual look. What is it that we will remember mast? Will it be the dances we attended with someane we can't remember now, the lunch time stampede, the front steps at lunch, the meeting in the "State" after school, the influence of certain teachers, this year when we won the district championship in football ar all the friendships we have made? What ever we remember, all these things have made up our life at L.H.S.

# The Future

June 1, 1966

Dear Diary:

It's been quite a day—the class reunion! The old gang has changed a little but, back together again, they soon sounded like the same old crowd. Patty Pullen, Jeannette Foltz, Edith Nease and Ruth Owen were busy telling about the peril of housework, and since you must remember how Patty loves to talk, that was quite a conversation.

Caral really has her hands full. She has been appointed head librarian at the Library of Congress. Speaking of important positions, Jackie Jeffress is now editor-in-chief of the "New York Times". Dennie Sensabaugh is now chief engineer of the building of a bridge across Woods Creek.

Ruby Wray has made quite a success of her music career. She opened last week at the Tribrook Country Club. Jeanne Tracy wasn't on hand for the reunion. Just after her graduation from high school she took a tour of Europe and wasn't permitted to re-enter the country. Judy Roberts was very excited about the new book she has written. It's entitled "The Thin Man". Speaking of books, Bobby Brown has just illustrated a book—"Man - In the Year 2000". Charles Mitchell, the country's top philatelist, was telling me about a new stamp he had designed. This stamp commemorates this year's football game: Lexington—69; Buena Vista—0. James Kokolis has opened a new restaurant in New York City, called the Dew Drap Inn.

Bill Bone is now working with the Schlitz Company in Milwaukee. While I was talking to Eleanor Hortless, who is now Secretary-Treasurer of The Perfect Circle Piston Ring Company, the room was filled with the squeal of brakes. We weren't alarmed, though, because it was only Martha Spencer arriving in her Cadillac Coupe de Ville. She soon scotched off again. She had to drive David Eisler to Richmond to deliver his speech to the Virginia Assembly.

I then ran into David Foster, who was working on combining Einstein's theory of relativity with George Axi's improvements on the electron theory. With my head swimming, I left this erudite debate and proceeded to a group crowded around a boy in uniform and found that Ted Agnor had retired from the Marines at 28.

Then I turned around and found Norbert Irvine, Paul Dole, Ted Davis, and Billy Edwards excitedly talking about the houses and furniture they had designed and built. Paul Penick, Mr. Basketball of 1965, and Deloris Hickmon, Mrs. America of 1965, joined the group and I was crowded back into Phillip Homric and John McClung, who were trying to figure out how many people could get into the room before we were asphyxiated.

A little frightened by this, I proceeded to a group of girls consisting of Frieda Cunningham, Doris Bone, and Dixie Hinkle, who were dreading deciding what kind of drops to put in the Blue Room of the White House, since they are the top Home Economic experts in the nation.

Since it was now getting late, I found Bobby Camper, who had turned into a real ladies' man, and asked him to escort me home to rest for another ten years before a class reunion.

A Roman cake was also made and the class enjoyed a small feast. For Christmas the club made Christmas cards with Latin greetings on them. Although Valentine's Day is not a Roman holiday, the club played scrabble in Latin and worked several crosswords in Latin.

The Chemistry Club, Lexington High School's only Honor Society, is made up of students who have a "B" or higher average in either chemistry or physics.

All the members belong to the Virginia Junior Academy of Science and Science Clubs of America. This year we are proud to say that there are more members in the Chemistry Club than ever before at one time.

Here are our hopes that these young students will make many advancements in science as they continue to work in the scientific field.

The Craft's Club of 1956, with a record enrollment, produced many individual projects, such as billfolds, food platters, and woven baskets. Since one of the general aims of this club is to keep the shop building and tools in good condition, the boys repainted the danger

lines encircling the various machines and repaired tool cabinets.

A new project on which the Craft's Club began work was an Architect's Scale, six feet in length, which can be used in demonstrating the use of this instrument.

Jackie Jeffriess, Ruby Wray, Mary Ann Neafatis, and Marlene Irvine were elected as new cheerleaders this year.

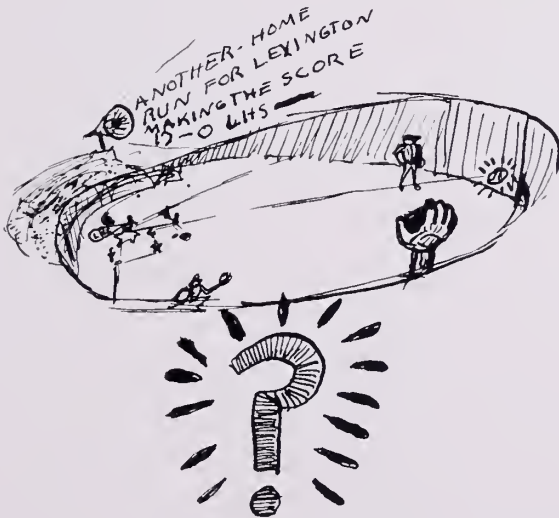

These cheerleaders were elected by the Student Body and the girl receiving the largest number of votes was accepted as head cheerleader. Patty Pullen has completed a successful year filling this position.

This year could not have been as successful without the guidance given by the supervisor, Mrs. Arnald. The cheerleaders wish to thank her for her cooperation and leadership.

## Basketball

Stuart P. Brewbaker . . . . . Coach  
Ted Davis . . . . . Manager

The Scarlet Hurricane finished this year one of the most successful seasons ever seen at Lexington High School. With a record of sixteen won and two lost, the Hurricane entered the District Five tournament and came out on top. The team traveled to Blacksburg for the state Group II tournament, but was eliminated before the finals were reached.

This year is the culmination of the basketball careers of many of the team's first-string men. Among these are Poul Penick, Bill Chittum, Phillip Hamric. The Hurricane's rony center, Bill Chittum, had a particularly successful season. During the last part of the season he averaged

better than 30 points per game, and was selected for the first team in the state All-Stars competition. The Hurricane's veteran forward, "Pick" Penick, also had a fine season, and ended his year with an average of better than 15 points per game.

The whole student body did a fine job in backing the team, and the school spirit this year was better than it has been for a long, long time. Withal, the Lexington High Student body and Lexington itself can be proud of one of the finest teams ever to play under the guidance of Coach Brewbaker.
